CLARIFICATION OF STATUS

How do we experience the current status of cyber-security? Do we agree?

Which building blocks are we satisfied with?

What results have we achieved with each building block?

How is our business strengthened through cybersecurity?

OPPORTUNITIES AND CHALLENGES

How can we strengthen the development of cyber-security? (refer to the analyses of the building blocks).

What have we learned about our cybersecurity by working with the building blocks?

What inspires us?

What challenges us?

FOCUS AND PRIORITISATION

What do we need to act on?

How soon do we need to act?

Do we need assistance, or do we have the skills? Internally or externally?

What is the priority of the building blocks in our company?
